

Fall Only – Fall Season Only

Registering for Fall Only indicates that the player will **only** play for the Fall season.

Fall Only players will be placed on teams by location.

If you register your child on time they are guaranteed a spot on a team as close to your home as possible.

If you registered late, there are no guarantees that there will be space for your child or that your team assignment will be in your location.

At the conclusion of the Fall season, all Fall Only players will be removed from the team roster.
