

## Full Year – Fall and Spring Seasons

Registering for the Full Year indicates that the player will play for **both** the Fall & Spring seasons.

Players will remain on the same team for both Fall & Spring.

Players will be placed on teams by location. If you register your child on time, they are guaranteed a spot on a team as close to your home as possible.

If you register late, there are no guarantees that there will be space for your child or that your team assignment will be in your location.
