

## **SPRING WAIT LIST POLICY**

Placing your child on the Spring Only 2023 Wait List, does not guarantee that they will be placed. Spring Only placement is done on a first-come, first-serve basis and is dependent on openings that become available.

We will contact you regarding any availability prior to the spring season. If your child is placed, we will provide you with instructions to complete registration by submitting payment. The fee for spring only is \$85.
