

Full Year – Fall and Spring Seasons U7-High School

Registering for the Full Year indicates that the player will play for **both** the Fall & Spring seasons.

Players will remain on the same team for both Fall & Spring.

Players will be placed on teams by location. If you register your child on time, they are guaranteed a spot on a team as close to your location as possible.

If you register May 1 or later, there are no guarantees that there will be space for your child or that your team assignment will be in your location.
