

U5/U6 Spring Only– Spring Season Only

Registering for the Spring Only Wait List indicates that you would like your child to participate for the Spring Season only.

Placing your child on the Spring Only Wait List, does not guarantee that they will be placed in the U5/U6 program for spring. Spring Only placement is done on a first-come, first-serve basis and is dependent on openings that become available.

The office will contact families regarding availability & placement prior to the spring season. If your player is placed, you will be provided with instructions to complete registration by submitting payment.

The cost of participating in U5/U6 Spring Only is \$85/player. It will not be due until time of placement in spring.
