

## U7- HS Spring Only– Spring Season Only

Placing your child on the Spring Only Wait List, does not guarantee that they will be placed on a team for spring. Spring Only placement is done on a first-come, first-serve basis and is dependent on openings that become available on current teams.

We will contact you regarding any availability prior to the spring season. If your child is placed on a team, we will provide you with instructions to complete registration by submitting payment.
